INTERACTIVE FLOOR

## SPORT PACKAGE

## GAME CATALOG

The Sports package makes exertion a pleasure, making it ideal for elementary schools and kindergartens. The sports games offered by FunFloor are not limited to typical sports. They encourage final activity while developing the body and mind. While playing, you don't even realize you're burning calories, you're simply building your fitness.

## 1. FIELD GOAL

Are you a soccer lover? Discover the world of soccer in an interactive edition. You versus the rest of the world. Use the red arrow to aim and direct the ball straight into the goal. The task is not easy, as the opponent has a solid defense. You have five shots to claim victory. Forward into battle.... ole ole!

## 3. RESPONSE TIME

The game is a fantastic tool to test your reflexes, eye-hand coordination and reactions. There are 7 lights on the board, which light up in random order. Your goal is to extinguish the lit light as quickly as possible. The more efficiently you manage to do it, the higher score you will get. Let's have fun!

## 7. FAST BALL

A game for two players. Press START. The pitch is divided into two zones. Your task is to catch the balls that appear on the board. Each ball has points assigned to it. Note! If the ball disappears before you catch it, penalty points will be added. The winner is the one who scores the most points. 3, 2, 1 START!
